### **I. Update – American Rescue Plan (ARP) Funding**

**20 mins**

**USE OF FUNDS** - The Coronavirus State and Local Fiscal Recovery Funds provide eligible state, local, territorial, and Tribal governments with a substantial infusion of resources to meet pandemic response needs and rebuild a stronger, and more equitable economy as the country recovers. Recipients may use these funds to:

- **Support public health expenditures**, by, for example, funding COVID-19 mitigation efforts, medical expenses, behavioral healthcare, and certain public health and safety staff
- **Address negative economic impacts caused by the public health emergency**, including economic harms to workers, households, small businesses, impacted industries, and the public sector

- **Replace lost public sector revenue**, using this funding to provide government services to the extent of the reduction in revenue experienced due to the pandemic
- **Provide premium pay for essential workers**, offering additional support to those who have and will bear the greatest health risks because of their service in critical infrastructure sectors
- **Invest in water, sewer, and broadband infrastructure**, making necessary investments to improve access to clean drinking water, support vital wastewater and stormwater infrastructure, and to expand access to broadband internet

Within these overall categories, recipients have broad flexibility to decide how best to use this funding to meet the needs of their communities.

### AN ORDINANCE

**AN ORDINANCE DIRECTING THE BERKS COUNTY BOARD OF ELECTIONS TO PLACE A REFERENDUM QUESTION BEFORE CITY VOTERS ON THE 2020 PRIMARY BALLOT WHICH WOULD AMEND THE CITY OF READING HOME RULE CHARTER TO ARTICLE II CITY COUNCIL TO PROVIDE CITY COUNCIL WITH THE ABILITY TO APPOINT THEIR OWN SOLICITOR**

**WHEREAS**, The Charter currently requires that the City shall have one City Solicitor who serves both the Mayor and Council; and

**WHEREAS**, having one Solicitor serving both parties often creates conflicts and requires Council to retain outside legal counsel; and

**WHEREAS**, a duly appointed Charter Review Commission has recommend that said Home Rule Charter Article II be amended by adding a new Section 226 allowing Council to retain their own independent legal counsel and renumbering the remaining sections as set forth herein.

**NOW, THEREFORE, THE COUNCIL OF THE CITY OF READING HEREBY ORDAINS AS FOLLOWS:**

**SECTION 1.** Directing the Berks County Board of Elections to place the following referendum question to voters of the City of Reading on the 2020 primary ballot:

**Creating a new Home Rule Charter Section 226 – City Council Solicitor**  
“Shall Section 226 of the Reading City Charter be amended to provide City Council with the ability to appoint their own Solicitor, as fixed by the annual budget?”

#### Simple Explanation

A “YES” vote means the City of Reading Home Rule Charter would be amended to provide City Council with the ability to appoint an attorney to work solely for City Council, eliminating the current conflict of having one Solicitor serving both the Executive and Legislative branches of government, as authorized by the annual budget and position ordinance.

A "NO" vote would retain the current language designating one City Solicitor who works for both the Mayor and City Council."

**SECTION 2.** This ordinance shall become effective ten (10) days after it's adoption, in accordance with Section 221 of the City of Reading Home Rule Charter.

PRESS RELEASE

Bethlehem City Council has notified the City Solicitor that effective March 10, 1986, Attorney John M. Morganelli will begin service as the legislative body's attorney. A description of his duties is attached. Mr. Morganelli will be paid the annual salary of \$12,000. It should be noted that a portion of this salary will be financed in the following way: Mr. Leeson's salary of \$27,300 will be reduced to \$22,000 and Assistant Solicitor Kelleher's salary will be cut from \$18,500 to \$16,800. It is anticipated that the remainder of Mr. Morganelli's salary will be financed from Unforeseen Contingencies. We feel justified in making the salary reductions within the Law Bureau Budget because Mr. Morganelli's presence will undoubtedly mean a reduced work load for both gentlemen.
